.....

The very first Grace Pizza was born in 1990, when founder, Adrian Hembree, as a 16 year old, crafted his first homemade pizza for his family in Spring, Texas. Adrian learned, that everyone had their own idea of the “perfect pizza.” Each person wanted something different. As he grew up, and went on to travel the world, open restaurants and explore great pizza, this notion never left him.

While Adrian eventually discovered how to craft world-class pizza that everyone loved, he knew something integral was missing in his life. He had experienced everything the world had to offer. It wasn't until his life hit rock bottom, and he faced losing everything, that he discovered Grace. That is, the love and Grace of God, for him, personally.

Two decades and several successful restaurants later, Grace is the story of Hembree's mission and values expressed through the art of food, leadership, and serving others: Extending Grace to the community, one slice of pizza (or one fun shake) at a time.

Today, Grace Pizza and Shakes is using top-shelf ingredients and world class ovens to help you design the perfect pizza for yourself made exactly the way you like it.
