The very first Grace Pizza was born in 1990, when founder, Adrian Hembree, as a 16 year old, crafted his first homemade pizza for his family in Spring, Texas. Adrian learned, that everyone had their own idea of the "perfect pizza." Each person wanted something different. As he grew up, and went on to travel the world, open restaurants and explore great pizza, this notion never left him.

While Adrian eventually discovered how to craft world-class pizza that everyone loved, he knew something integral was missing in his life. He had experienced everything the world had to offer. It wasn't until his life hit rock bottom, and he faced losing everything, that he discovered Grace. That is, the love and Grace of God, for him, personally.

Two decades and several successful restaurants later, Grace is the story of Hembree's mission and values expressed through the art of food, leadership, and serving others: Extending Grace to the community, one slice of pizza (or one fun shake) at a time.

Today, Grace Pizza and Shakes is using top-shelf ingredients and world class ovens to help you design the perfect pizza for yourself made exactly the way you like it.

# Draft Beer

## **Karbach Crawford Bock 7**

Crawford Bock has a rich malty flavor profile with some caramel, toasty, and nutty notes. It's definitely more robust and complex than your typical lager.

## **Karbach Love Street Blonde 7**

The grass and floral notes are forward on the taste, with the cracker at the back of the palate for a crisp, clean finish. Very nice summer crusher by a great brewery.

## **Karbach Clutch City Lager 7**

Boldly foamy and decidedly uncomplicated, this has a construction of a mainstream lager — doughy and bready with no real bitterness

## **Saint Arnold Art Car IPA 7**

The nose is a blend of apricot and tropical fruit and mango. The taste starts with a big bitter blood orange that morphs into mangos and sweet tropical fruits.

## **Modello Especial 7**

Brewed as a model of what good beer should be, this rich, full-flavored Pilsner-style Lager delivers a crisp, refreshing taste. Well-balanced taste and light hop character with a crisp, clean finish.
